Keppel

Every day at Keppel is brimful of activities and events. Vital ideas abound — pleasant moments — survive — each day ends with the assurance of completion. Here is an exciting moment during a mock rally — students are held high in that exploding moment of understanding.

# on the GO

Keppel means different things at different times in our lives. In grammar school our impression was of a glamorous utopia, a symbol of maturity, the summit of our ambitions; in future years it will be a memory made rosy by nostalgia. Now it is reality — the overwhelming reality of our lives — and our impression is of enormous vitality and activity. In all of its aspects at all times, Keppel is on the go.

Wherever you go on the campus there is movement — in the classrooms, in the halls, on the fields. In clubs and organizations, in student government, there runs a current of a contagious energy. We call it school spirit — the excitement of growing, the love of learning, the joy of constructive activity.

This undercurrent of energy is basic to the life of the school. It affects each of us directly — it reaches out and touches each of us — so that we are caught up in the school's vitality, its movement — we too, are on the go.

# *REMEMBRANCE*

Keppel is fortunate in having an excellent faculty. But even among this assemblage a few stand out for their talent and dedication. One of these was Mr. Edward Beanes.

Mr. Beanes has taught in Keppel's Music department for nine years. For the past six he has been the director of the a cappella choir. He has built the choir into a fine, well disciplined group. Throughout the years it has presented beautifully done Christmas and Easter assemblies, which have become a proud tradition.

Aside from being the teacher of the choir, Mr. Beanes has unselfishly given his time and energies to a series of musicals, put on by the choir, and the glee clubs, which have given enormous enjoyment to both participants and audience. They commenced with "Gretchen's Wedding," an operetta written by Mr. Beanes for the Girls' glee. The following two years he wrote and co-ordinated two musicals, "Summer Stock," and "Hey Jonesie," which were put on by the choir. In 1959 it presented "Rosemarie," Rudolph Frimls famous work, and in 1960 it presented "The Desert Song" by Sigmund Romberg.

All of these musicals were very successful. Their success was due very largely to Mr. Beanes' work in writing, coordinating, rehearsing the scenes. They would have been impossible without him.

In the years he has spent here Mr. Beanes has expended untold work, talent, and time for the benefit of the school. His ability and his genuine warmth and tact have won him the affection and respect of the students.

It is in recognition of all of this that we dedicate this annual to him — with fondness, gratitude and remembrance.

Tessa,
Best wishes
in the coming
years at Keppel.
Love Always

# *ADMINISTRATION*

# BOARD OF SUPERINTENDENTS

*Mr. Stokesbary*
Superintendent of Schools

*Mr. Ensz*
Assistant Superintendent
in Charge of Instruction

The four efficient superintendents strive hard to govern and direct the Alhambra School District. They must employ all the competent workers paid by the district, thriftily handle the school funds, choose our subjects and determine the manner in which they will be taught; each and every Keppel student benefits ultimately by their decisions.

*Mr. Scanlon*
Assistant Superintendent
in Charge of Business

*Mr. Gray*
Assistant Superintendent
in Charge of Special Services

# BOARD OF EDUCATION

MR. FLUSTER

MR. CLAY

MR. WESTERFIELD

MR. CLARKE
President

MRS. MATHER

The Alhambra Board of Education is composed of private citizens elected from the community. Each member generously gives his time and energy to the operation of our schools.

Striving always for educational advancements; the Board looks into better teaching methods, is responsible for building improvements, books, equipment, and supplies.

They serve as representatives of the taxpayers in our school district, and their fine accomplishments are reflected here at Keppel.

## MR. LAWSON

Mr. Lawson, Mark Keppel's principal, has been active at our school since 1941. For the past seventeen years he has successfully and efficiently directed Mark Keppel High School.

He must be constantly aware of the everyday problems that arise at school and be prepared to meet them. Since he is so eminently qualified, the California Association of Secondary Schools appointed Mr. Lawson to study the structure and problems of the California Scholarship Federation and Forensics, Debate.

Mr. Lawson encourages the students to participate in the many activities of Mark Keppel. During several assemblies he has been present to present awards for outstanding achievement. He offers advice and encouragement to both students and faculty. His loyalty and active interest in the student body activities have helped to gain for him the respect of each student here at Keppel.

MR. KEMP

Brisk efficiency, hard work, and a blooming sense of humor All these are qualities which characterize Mr. Kemp, our Boys' Vice Principal.

His complex job calls all these qualities into play. As Boys' Vice Principal he is directly responsible for the discipline of male students, but in addition he has the enormously complex job of controlling school activities. He regulates the interscholastic athletics which are so much a part of our school life. He acts as advisor to our Student Body Cabinet, and in that capacity has guided and encouraged it to be a force of real effectiveness in representing and governing the student body.

In the six years he has been here, Mr. Kemp has worked these and the myriad other small duties of his position with energy and dedication; while never losing his good humor when faced with a lost activity card, a stuck apple machine, or any one of the everyday crises of the Keppel students.

MISS ARZT

One of the most difficult administrative positions is that of Girls' Vice Principal. For twelve years, Miss Arzt has capably and tactfully helped many Keppel girls succeed in their school life. Acting as girls' advisor, she has successfully solved many problems and has proved herself as a willing confidant. Always ready to help, Miss Arzt has served countless troubled girls.

She has been associated with Mark Keppel High School for twenty-one years, first as a chemistry teacher and then at her present post. As Girls' Vice Principal she sponsors Girls' League and coordinates campus organizations.

Her sincere interest and active enthusiasm never slackened and we are all thankful for the high student standards which Miss Arzt has worked to maintain here at Keppel.

MR. FREEMAN
Head Counselor

Mrs. Connolly

Mr. Anderson

Miss Busher

Mr. Sewell

# *COUNSELORS*

Throughout their years at Keppel, students are often in need of expert advice regarding their courses of study and their plans after graduation. This is the function filled by our counselors. Mr. Freeman, Mrs. Connolly, Mr. Anderson and Miss Busher guide the senior, junior, sophomore and freshmen classes respectively. Mr. Sewell gives valuable help to many seniors seeking scholarships.

They ably guide hundreds of students every year in their decisions as to subject fields, colleges, and future vocations.

Theirs is an enormously difficult task in advising the future lives of students.

Our busy "advisory quintet" in a moment of relaxation.

MISS BREWER - MRS. POYNER
Librarians

The school library is open and available to every Keppel student. Many of them use it every day for research on reports and other assignments. It is a close and convenient source of reference works, books on specialized topics, and also books to be read for pleasure.

This library is dependent for its functioning on Miss Brewer, our librarian; Mrs. Poynor, her assistant, and twelve student assistants. They all work capably to catalogue, repair, and check in and out books, as well as to help students find information on difficult topics; thus enabling Keppel students to enjoy the benefits of the library.

MR. BISETTI
Child Welfare

The Child Welfare office at Keppel is a small, but busy part of the school's organization.

It issues work permits which enable many Keppel students to legally hold part-time jobs. It gains assistance for needy families through various agencies, and also assists the Attendance Office in keeping track of absent students.

Mr. Bisetti, head of the Child Welfare Department, has been at Keppel for eight years. He and his secretary, Mrs. Thomas, are always ready to cheerfully handle any problems that come into their province.

MRS. CASTLE
Nurse

Mrs. Castle, our school nurse, is a cheerful and efficient personage whose job is an important one to the physical well being of Keppel students.

As the school nurse, her office handles students who become ill during the day, or suffer minor injuries, and arranges for sick students to go home, or lie down in her office. She also keeps a record of each student's height and weight. The nurse's office is a welcome assurance that first aid is always available to every Keppelite, should it be needed.

Mr. Bisetti ponders a serious moment in the Counselor's office. Mrs. Parsons adds the finishing touches to a final report.

Miss Arzt makes a few comments to Mrs. Johnson in the Girls' Vice Principal's office.

# NEW TEACHER TEA

The Faculty Committee of Mark Keppel plans and executes each year a tea honoring the new teachers.

Mrs. and Mr. Katz are engrossed in that afternoon chat that ends a busy day. Dr. Luttrell and Mr. Gori look on amused and curious.

Mr. Ochi seems to have that eyeful] of "ozone" to be mindful of the reception line. Mr. Webster, Miss Shane await the friendly handshake.

Miss Bridges and Mr. Beanes discuss the thing, "dramatic." Mr. Melckin and Mrs. Rothschild look on smilingly at the expansive team.

Mr. Sewell patiently listens to Mr. Katz. Mr. Low hastily finishes that tasty cup of punch.

# *CLUBS*

# CLUBS

Louise Rizzi, Secretary of Clubs, Semester 1.

Darlene Lawrence, Secretary of Clubs, Semester 2.

Service to the school and community is one of the goals of the clubs at Mark Keppel High school. They help plan and carry out many activities so important to all students.

Miss Arzt, Advisor to Clubs

Besides giving service, the clubs offer students an opportunity to meet new friends, work as a team, and learn many new things. The clubs plan several activities, throughout the school year, for their members' benefit.

Just a few of the many leaders of Keppel's active club program.

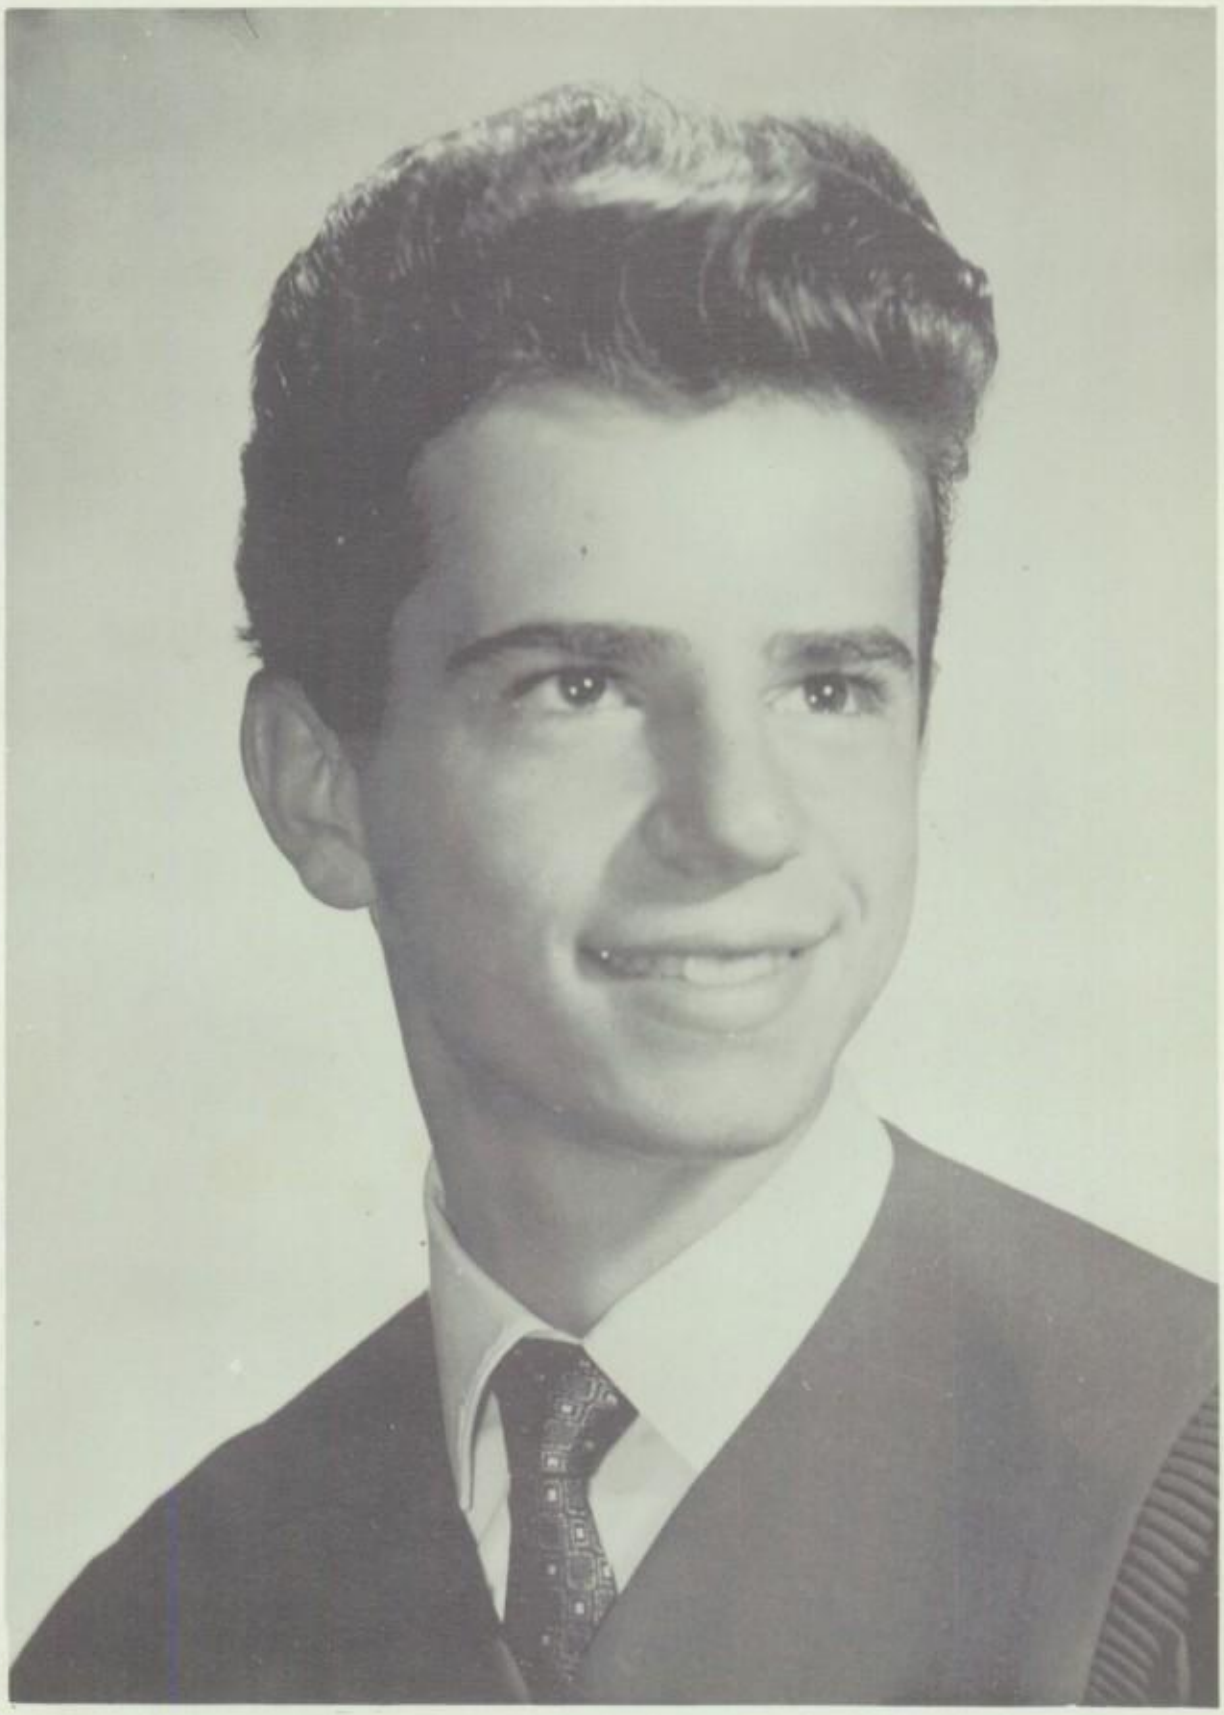
# GERTRUD MAJCEN

This year Gertrud Majcen, known to Keppelites as "Trudy," came to us from Graz, Austria, through the courtesy of the American Field Service Program.

Trudy rapidly became a lively and busy member of the Keppel campus. Her many new friends have helped her explore American ways and in the process learned many fascinating details of Austrian life. Everyone who has had the pleasure of knowing Trudy, in or out of class, remembers the experience with warmth and gratitude.

# DEMETRIO IVANOFF



Demetrio Ivanoff was our foreign exchange student from Sao Paulo, Brazil.

Demetrio, during the time he has attended Keppel, has made many friends who will remember him throughout the years.

His active and intelligent interest in American things has caused each of us to take a new look at our customs and traditions. As the year draws to a close, the Mark Keppel student body extends its thanks and recognition to Demetrio.

# A.F.S. PROGRAM

For the past three years Keppel has had the pleasure of playing host to exchange students from foreign countries under the auspices of the American Field Service. Under this same program, for the past two summers a Keppel student has been able to travel to a foreign country and live with a family there.

The A.F.S., which makes this possible, is a nonprofit organization which started as an ambulance service during the war. Each year it brings a larger number of students from foreign countries to live in American homes and study in American high schools.

# CROWN &

One of the most honored organizations at school is Crown and Sceptre, the Senior Honor Society. The sixteen members are selected for their outstanding scholarship, citizenship, the contributions to the school. Each has maintained a "B" grade average or higher, a merit score of "90," and many has a record of distinguished and dedicated leadership in student clubs and organizations.

Guided by their advisor, Mr. Freeman, this year's Senior Honor Society has been very active on the campus. They have had several dinners at the houses of members. Their many projected activities include such traditions as serving as ushers at Open House.

Reporting, editing, and delivering the news keeps the Aztec Staff extremely busy and constantly on the go. The staff, with the help of the beginning journalism class, carries the heavy responsibility of informing the student body of newsworthy happenings.

This often entails a good deal of time and effort; for this hard working crew must find the news, arrange the interviews, write stories in good journalistic form, and compose the headlines.

As a result, this year's Aztec has been one of the best school papers in Southern California. Its fine qualities may be attributed to the editors, Marlene Crawford and John Thompson, Mr. Kilman, Advisor, and the journalism classes.

GLENDALE HOOVER

Despite rolling up nearly twice the yardage gained by their opponents, the Aztecs fell 22-12 to Glendale Hoover in the season's opener. A 95-yard touchdown gallop with an intercepted pass late in the first half "killed" the luckless locals. Paul Baldwin was named "Aztec of the Week" for his tremendous offensive performance.

EL MONTE

Storming back from a 20-6 deficit, the Aztecs roared from behind with 26 points in the last half as they nipped the El Monte Lions 32-26 for their only victory of 1960. Two long touchdown scampers by Manuel Diaz capped a third quarter rally which enabled the Keppelites to post their one and only win of the grid campaign. For his part in the startling upset, Diaz was named Aztec of the Week

MONROVIA

Awe-struck from a breath-taking victory over El Monte, the Aztec eleven's one game winning streak was severed by a 21-0 lashing at the hands of the Monrovia Wildcats, number one rated team in the CIF.

Earning "Aztec of the Week" honors in the Monrovia scramble was Ron Diamond.

ARCADIA

The Arcadia engagement just added insult to injury. Unable to sustain the dominating combination of Larry Zeno's quarter-backing and a stout Apache forward wall, the Mark Keppel gridders fell to the tune of 26-0.

Turning in a tremendous performance was Aztec backfield ace, Bert Shirk. Bert was awarded "Aztec of the Week" recognition for his heads-up play in this contest.

ALHAMBRA

The 1960 Keppel-Alhambra encounter once again provided ample thrills and excitement for both schools as the locals supported the short end of an 18-13 see-saw tussle.

Leading the local's efforts was tailback Paul Baldwin, who chalked up points for Aztec of the Week honors with many fine maneuvers, including a 69-yard touchdown run.

End of Line—Manual Diaz is dropped in Monrovia tilt after chalking up convincing gain.

End of the Line—Aztec George Emde slams through to throw a hated Moor for a loss.

WHITTIER

Closing the lid on a disappointing season, the Whittier Cardinals handed the Aztec gridders a shocking 33-6 setback.

Combining never ending spirit and inspiration with smart, aggressive football, was Aztec of the Week, Doyle Walker; who incidentally was the recipient of this year's Most Inspirational Player award.

Keppel's lone achievement of the football season was the winning of the Cee championship. Coach Maynard Horst had no returning lettermen with which to build, and yet he produced a team which became stronger and stronger as the season progressed.

"This is the way it works, men." Coach Horst gives tips to his Cee gridders.

Picked to finish high in the Pacific League standings before the season started, the Aztecs ran into considerable difficulty as the campaign progressed. Myron Howard led the team in scoring while Lawry Covell was one of the steadying influences on the team. Paul Baldwin was the leading playmaker.

Since the very beginning of this great American sport, no other game has caught fire with the American scene. Abner Doubleday could not have fathomed the tremendous impact his brief game of bat and ball would have on the young men of today. With the onslaught of little league, pony league, and American Legion baseball, young men have raced around sandlots and finely trimmed diamonds stretching that long single into a double.

Keppel has always had an outstanding nine. Aztec greats have traveled upward into professional ball and remained a credit to the "colors." Coach Maynard Horst, varsity mentor, and Coach Larry Smith, junior varsity, have struggled together developing teams that have made Keppel a fearless school on the diamond.

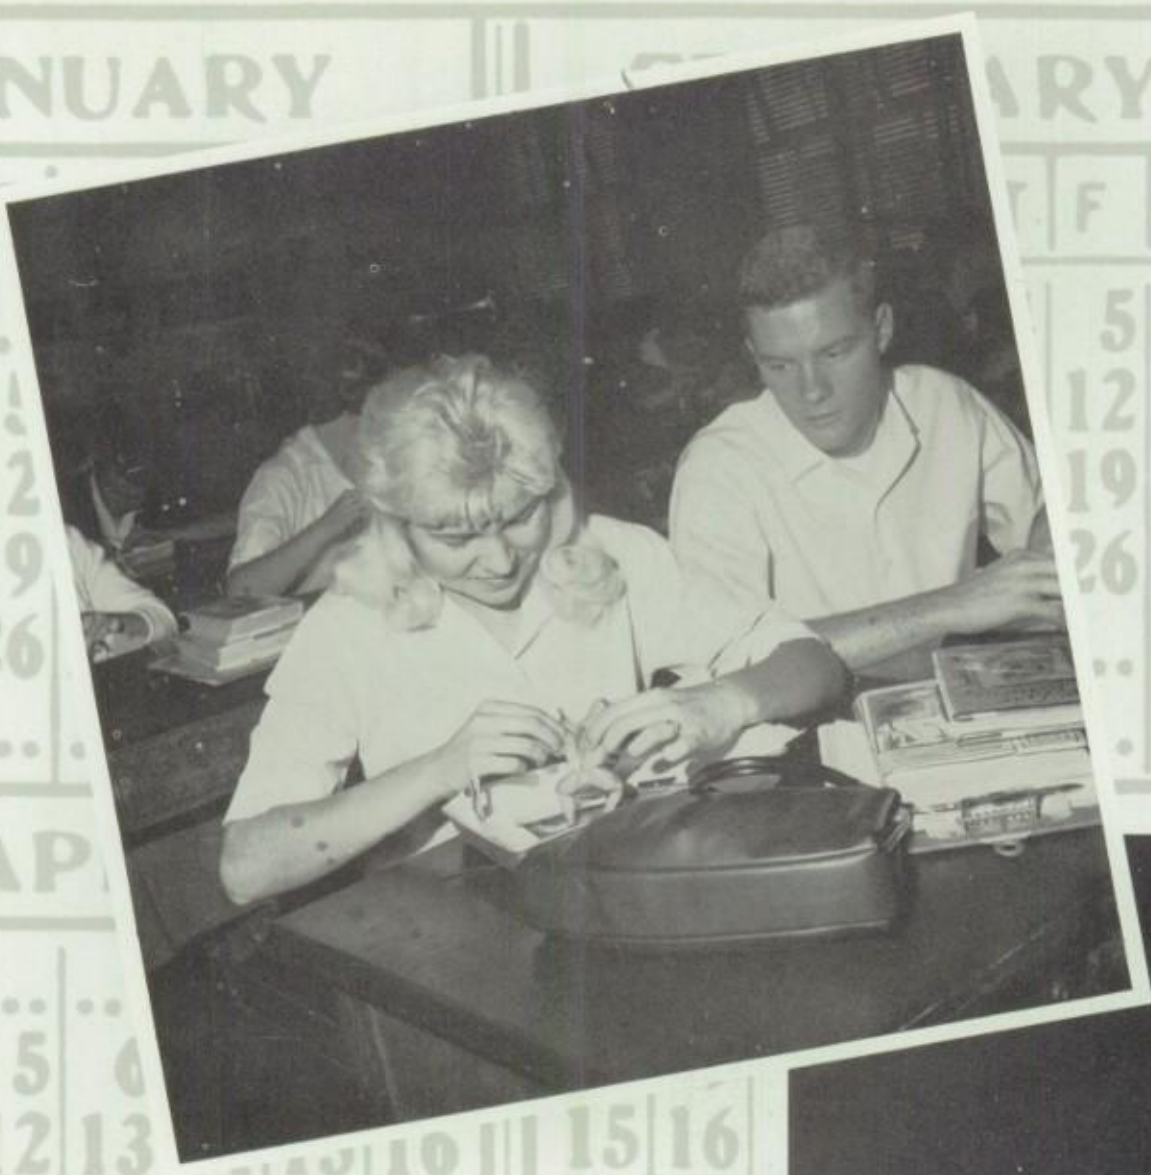
# *SOCIAL WHIRL*

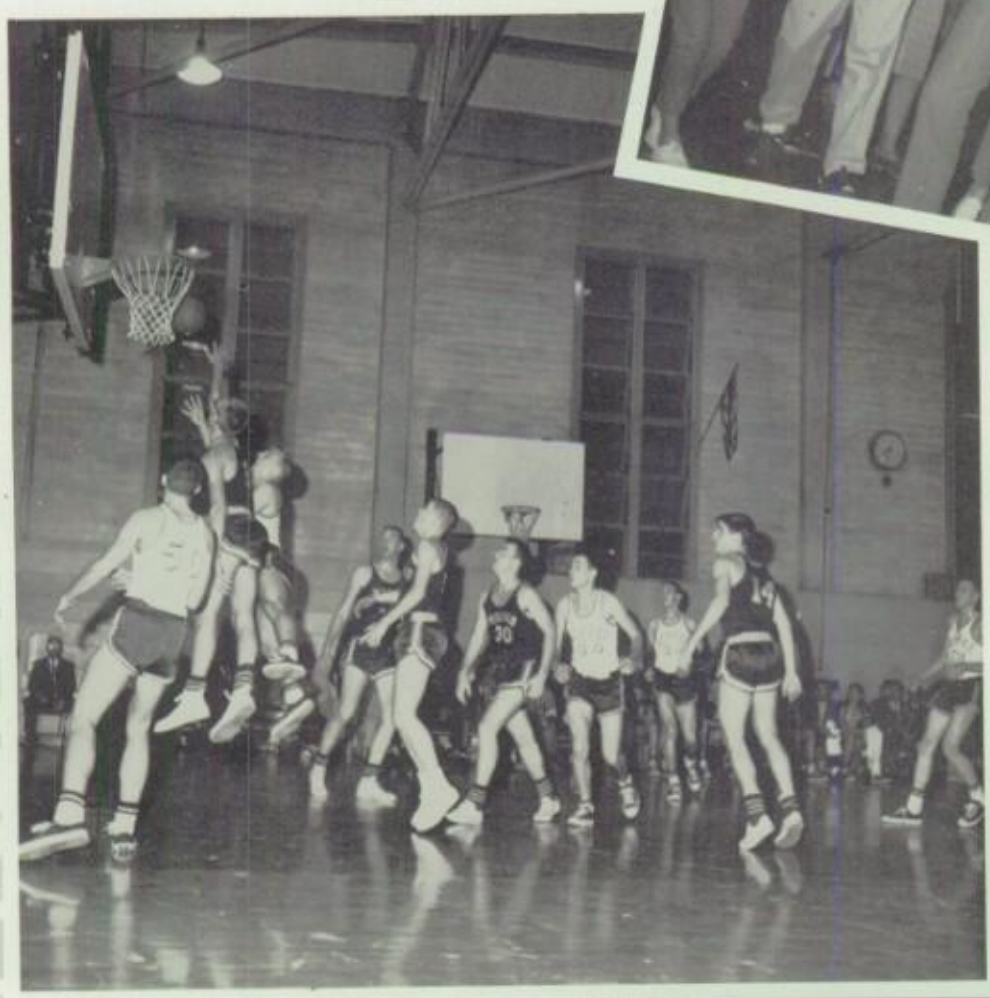


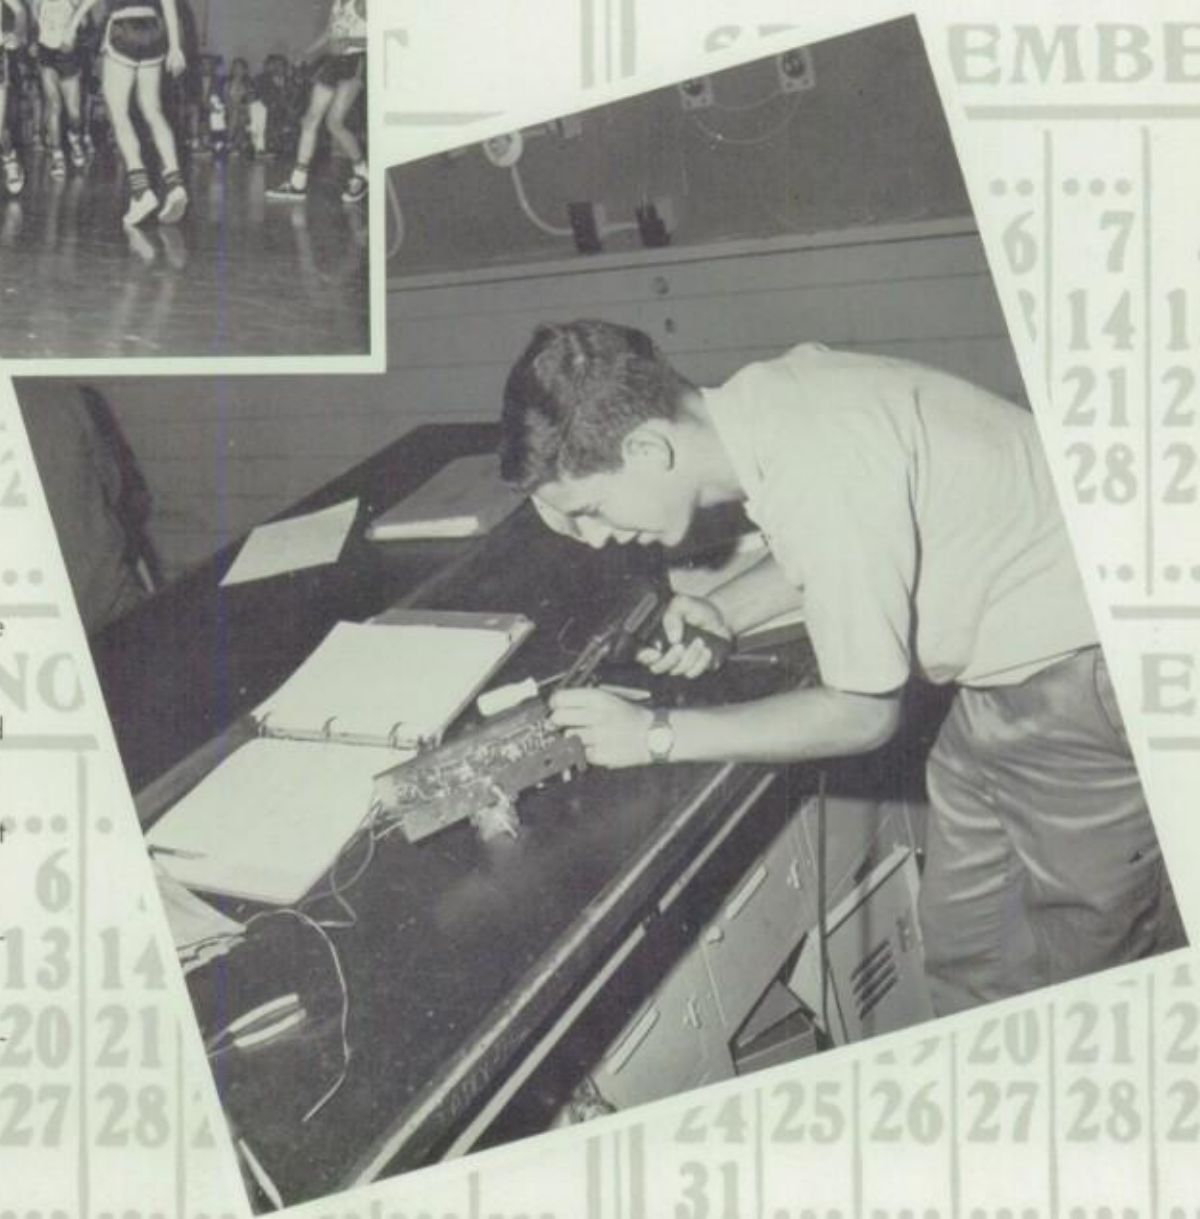
Time moves circular beginning at the sound of the first bell, and ending with the dimming of lights at night. We count them by numbers. Numbers set in a calendar.

That first incision in the physiology class that seems unbearable only opens a new world of science . . .

Football, the sport of noise yells, and color . . .

Mr. Kemp gives that vital bit of information on the backwards dance, while the ever-present AZTEC is read . . .





Count the days in each month and each one will be filled with joy and excitement.

An exciting dance rollicking with mirth and rhythm . . .

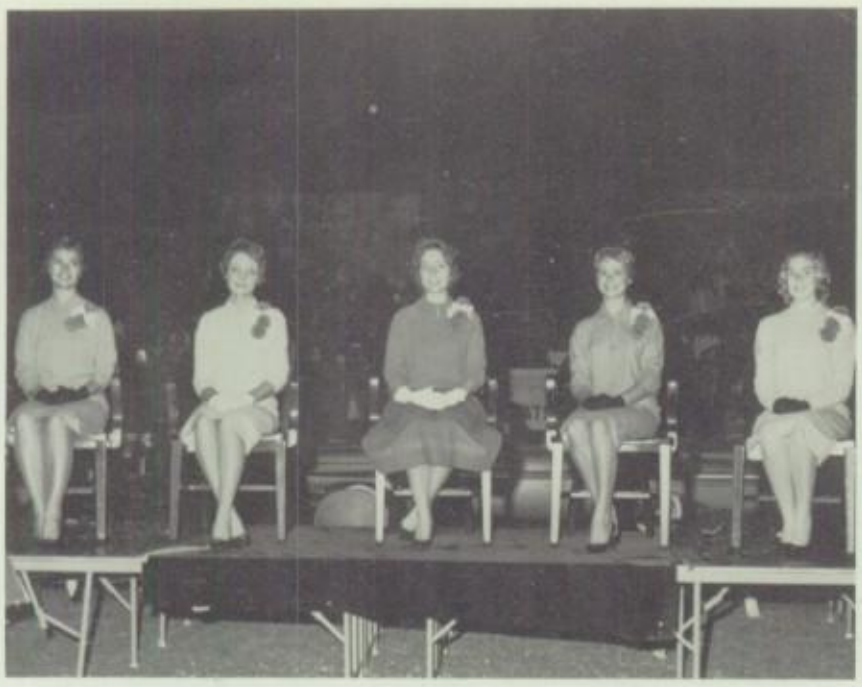
Stretching that impossible few feet for that score during the game . . .

In class, one more solder and one more electronic device is complete . . .

These are the days of Keppel . . . A Calendar of Keppel on the Go.

Queen Darlene Lawrence surrounded by her court Sharon Vargo, Kathy Kochalko, Jill Boylin, and Beverly Bird.

# *HOMECOMING*



Cathy Kochalka, Sharon Vargo, Jill Boylin, Daelene Lawrence, and Beverly Bird, await the Coronation at half-time.

The Climax is over and Queen Darlene begins her reign.

I crown thee, "Queen Darlene"

Music was provided by La Vern Willison's Band at the Homecoming Dance after the game.

Radiant Darlene waves as she passes the stands of cheering students, parents, and alumni.

Coronation ceremonies climaxed an October week filled with Homecoming activities. During those five days, kick-off rallies and an assembly were held, the band played in the halls, and music was heard from the lunch court. Voting for the queen took place Friday afternoon, and that night was the thrilling game against Monrovia.

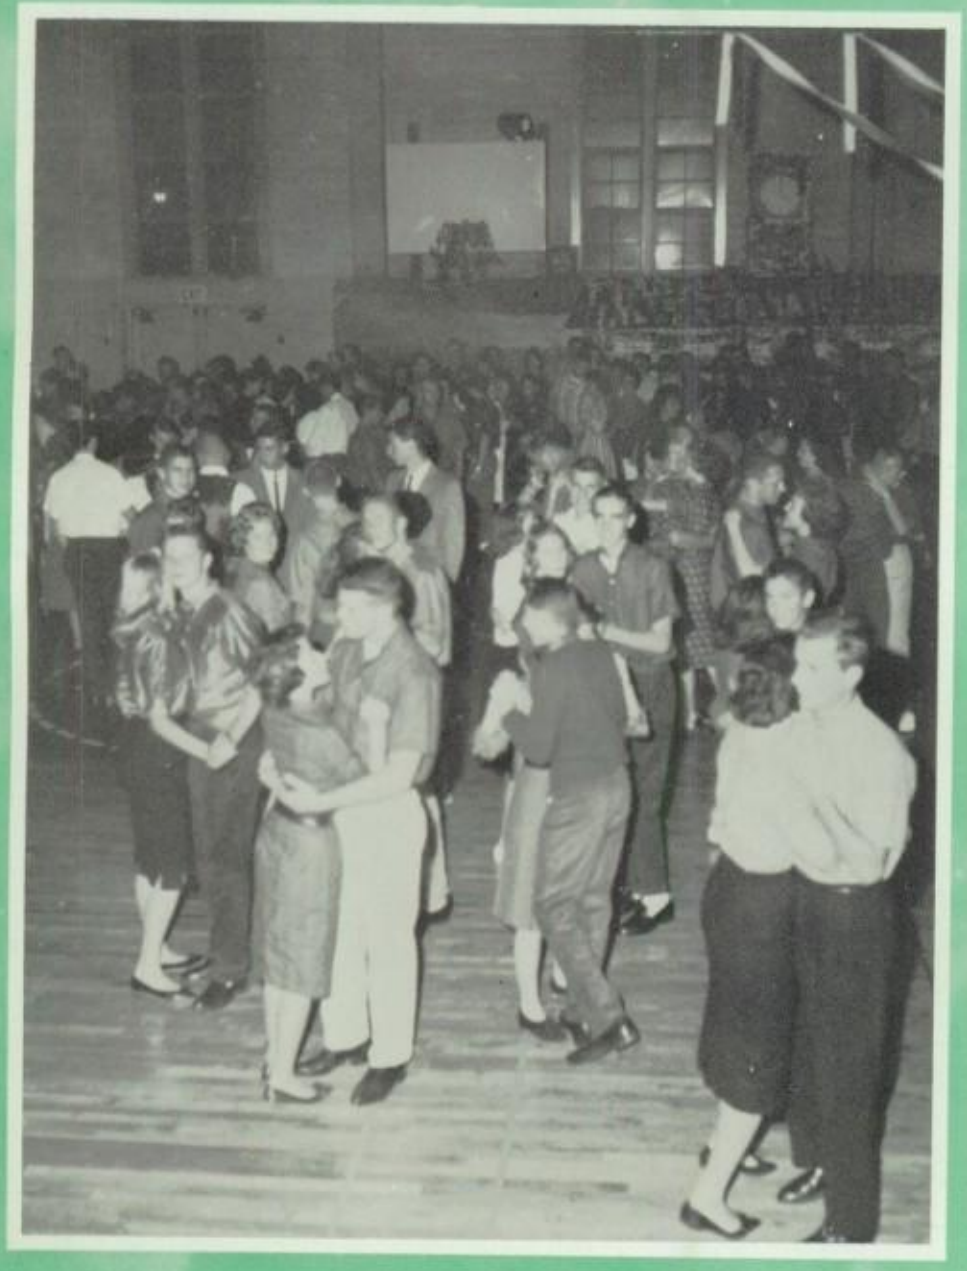
Enthusiasm rose with each day, and reached its peak during the game's half-time when Darlene Lawrence was crowned Homecoming Queen. Darlene and her court, Princesses Sharon Vargo, Jill Boylin, Beverly Bird and Cathy Kochalka reigned over the game.

Students and alumni later attended the Homecoming Dance, thus concluding an eventful week.

# *HALLS OF IVY*

Music was provided by the Blue Notes.

Ivy League was the style on this night of fun.



Put fun in your life, try dancing.

One picture is worth a thousand words.

We could have danced all night, but didn't.

Another exciting event of the fall season was the backwards dance, "Halls of Ivy." Several couples donned matching ivy league outfits; and decorations for the dance, held in the boys' gym, resembled an "Ivy College."

Music for this dance was provided by the Arcadia Blue Notes. For lasting memories of an enjoyable evening, black and white and colored photographs were taken by Mr. Charis; and door prizes were given to a few lucky couples.

Refreshments were provided and served by the Tri-Hi-Y clubs.

# *GIFT GIVING*

Tradition is carried on year after year with the annual gift giving by the students. A section of the band plays Christmas carols in the main hall where tables are placed beside the Christmas tree.

Each class has a chance to present their gifts. The entire gift giving program is handled by the Junior Red Cross.

Climaxing the school's activities, the annual Christmas assembly is presented by the Choir.

# WHITE WINTER

The winter season of events did not end with the Christmas holidays. In January, a winter prom was sponsored by the Senior Class.

"White Winter" was held at the San Marino Women's Club and provided those who attended with a memorable and enjoyable evening.

# SWAN SONG

According to Webster a swan song is a poetic, musical, or artistic work composed shortly before the death of the author. After working furiously to meet deadlines on time, I feel quite close to the end. At the beginning of the year it seems almost impossible that all the deadlines will be met on time, and as the year dwindles away, slowly but surely the pages are completed and turned in to the publisher. However, the deadlines were met only because so many people were willing to give of their time and effort to make this yearbook a success.

Laurels to Sydney Loynd and JoAnn Pfister for the many hours of work they put into the annual... to the rest of the staff for their willing co-operation and hard work... to Dave Burkhart for the fine art work which appears throughout the annual... to Mrs. Sheridan, our Art Advisor, who was always willing to give us advice... to Mr. Noodleman, our Business Advisor, without whom the ads would never have been sold... to Mr. Hubbell, our Yearbooks' Representative, who was never too busy to give us much-needed advice... to everyone at Taylor Publishing Company who had a hand in the publishing of the Tecalli... to everyone at S.K. Smith Cover Company... to Mr. Grubbs, our Photography Advisor, who was so willing to take last-minute pictures for us.

Special Thanks to Mr. Kilman, our Advisor, without whom this book would never have become a reality... and to the students of Mark Keppel for giving me the opportunity to edit your yearbook.

So long..

Beryl

Ben,
It's been a
real pleasure Browsing
your class again.
Hope to see you next.
Have a wonderful
summer and stay as
sweet as you are!
Lots of Love,
Sharon Bittle

Ben.
Not to be mean,
but I decided I would
you to remember me
time you turn to this
to see loverboy's signature.
All aside from kidding, It's
really been fun this year.
Hope we have some classes
together.

your friend + mine,
Joyce Bethke
